

Overseas Pricing...Made in the USA Quality

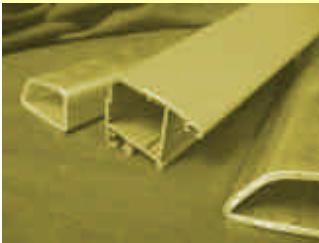

Want to have your cake and eat it too? Now you can purchase imported parts with guaranteed, uncompromising quality...from Pittsburgh, PA

The name you've trusted and counted on for years is out to be your complete engineered component solution.

Gupta Permold Corporation now offers customers its:

- **Aluminum Sand Castings**
- **Aluminum Pressure-Die Castings**
- **Zinc Pressure-Die Castings**
- **Aluminum Extrusions**

- manufactured in India.

Through its unique Strategic Partnerships with leading foundries in India, and its familiarity with Indian trade and commerce, Gupta Permold is now equipped to offer your company the benefits of imported castings.

And if your print asks for precision machining (up to +/- .0002 tolerance), it'll get done right here in our state-of-the-art CNC Machining Operation located in Pittsburgh, PA, USA. And we'll

warehouse your parts in our brand new facility so you don't have a parts shortage.

Why trust a broker or rep, who's only tool to serve you is a phone and fax machine? With our manufacturing capability and experience, we can offer you:

- JIT Delivery and 48-hour shipping
- Business terms you're familiar with
- Stringent Incoming QA that answers to no one but the Customer (ISO 9000)

- Single-source responsibility, including machining, metal finishing, assembly, etc.
- Engineering support and consultation from experienced professionals who manufacture precision components everyday
- Price and delivery proposals you can trust

So what are you waiting for?

Let us show you how to

Gain the Advantage.TM
